PRESIDENT: Laid over and referred.

CLERK: Mr. President, notice of a committee hearing.
Reads.

PRESIDENT: Very good. Do we have any bills for introduction?

CLERK: Reads motion, bill title.

PRESIDENT: Chair recognizes Senator Cavanaugh.

SENATOR CAVANAUGH: Mr. President, members of the body, this bill pertains to MUD in Omaha and the fact that they are not at this time sure whether they could construct in conjunction with a new facility parking facilities and this would be to clarify that situation for them. I think the construction of any new MUD facility would be more than a year off but they'd like to have this assurance that if the decision were made to construct a parking lot that they would have that opportunity so I'd like to suspend the rules, is that, do we, yes, we need to suspend the rules.

PRESIDENT: Is there any further discussion of the motion? Question is, shall the rules be suspended and the bill introduced? All those in favor vote aye, all those opposed vote no. Senator Cavanaugh is asking that the rules be suspended and the bill introduced. Thank you. Clerk will record.

CLERK: 32 ayes, no nays, 17 not voting on a motion for the introduction of the bill.

PRESIDENT: Read the title.

CLERK: Reads title.

PRESIDENT: Are there other bills for introduction?

CLERK: None.

PRESIDENT: Ready for the consideration of bills on Select File. Chair recognizes Senator Cavanaugh.

CLERK: 481 was previously considered on Select File, the E & R amendments have been adopted. There are amendments pending by Senator Kelly.

PRESIDENT: Is Senator Kelly in the Chamber? Senator Kelly, we're trying to handle your amendments to 481 on Select File.

SENATOR KELLY: Mr. President, members of the body, this amendment is the legal correct way to do what we tried to do in the standing committee amendment. We had the boiler inspector prescribing rules and regulations that he doesn't have an authorization. The Department of Labor has to have the authorization and they have to be filed with Secretary of State and that's the purpose of this amendment.

PRESIDENT: Is there any further discussion of the amendment? Question is, shall the Kelly amendment be adopted? All those in favor vote aye, all those opposed vote no. Voting for the Kelly amendment to 481 on Select File and that still takes 25 votes. Thank you. Clerk will record.

CLERK: 28 ayes, no nays on motion to adopt, Mr. President.

PRESIDENT: The amendment is adopted. Senator Cavanaugh, back to you. Are there other amendments to 481? Any other amendments to 481?

CLERK: None.
